

What is the definition of health?

---

---

---

---

---

Where does this definition come from? Do you agree with it?

---

---

---

---

---

What does it mean for you to be healthy?

---

---

---

---

---

---

---

---

---

When it comes to your health, what can you control?

---

---

---

---

---

---

---

---

---

---

Are there things that are beyond your control?

---

---

---

---

---

---

---

---

---

---
